

Achievement Day 2023
May 13th, Saturday, 2023
At the Music Building of
University of Colorado Boulder

January 2023

Dear Parents,

Achievement Day is the valuable opportunity in which we recognize and celebrate students' effort, achievement and talent in their music study. Students can participate either as a solo player or as an ensemble group of 2 to 6 performers. They will perform **two solo pieces** (one of them memorized, along with the scales in the key of each piece) (or **two ensemble pieces** for an ensemble group) and complete **minimum two ~ maximum five music related activities called options**.

Upon completion, the students receive written comments on their solo (or ensemble) pieces and options from evaluators, a ribbon and a certificate for participation.

The **Super Achiever Medals** are awarded to those who passed on solo (or ensemble) pieces, scored 80 or above in minimum one musical knowledge option (theory, terms & signs, history, ear training), passed on minimum one technique option (scales, chords, arpeggios), and passed on any two more options (**total four options**). To be eligible for the Super Achiever status, the students need to register as SA candidates.

Everyone who enters the building will be required to follow CU's Covid related protocol. We will let you know the most updated information about two weeks before the event.

Registration: **Please pay the fee to your children's teacher.** Please know that the teachers need to send the registration form and one check to the chair by Saturday, April 8th, 2023, arrived, not postmarked.
