

Achievement Day 2025
Saturday, May 10th, 2025
At the Imig Music Building of
University of Colorado Boulder

Dear Parents,

Achievement Day is the valuable opportunity in which we recognize and celebrate students' effort, achievement and talent in their music study. Students can participate either as a solo player or as an ensemble group of 2 to 6 performers. They will perform **two solo pieces** (one of them memorized, along with the scales in the key of each piece) (or **two ensemble pieces** for an ensemble group) and complete **minimum two ~ maximum five music related activities called options**.

Upon completion, the students receive written comments on their solo (or ensemble) pieces and options from evaluators, a ribbon and a certificate for participation.

The **Super Achiever Medals** are awarded to those who passed on solo (or ensemble) pieces, scored 80 or above in minimum one musical knowledge option (theory, terms & signs, history, ear training), passed on minimum one technique option (scales, chords, arpeggios), and passed on any two more options (**total four options**). To be eligible for the Super Achiever status, the student needs to register as a SA candidate.

Registration: **Please pay the fee to your children's teacher.** Teachers must submit all registrations to one of the chairs by April 5, 2025.
