

President's Message

Hello BAMTA members,

Wow, the school year is about to come to an end and summer teaching schedules will begin. I hope your year went smoothly. There is a lot going on with BAMTA this month.

Please come to our BAMTA General Board meeting and Presentation this month on Wednesday morning, May 16th. Our presentation at 10:00am will be the revealing of this year's Multiple Piano Festival selections. Copies of the music will be available for purchase. Most or all of the pieces will be presented and played so you can hear a sampling.

At 9:00am, we will hold our General Board meeting where new officers will be elected for the upcoming year. Please come and participate in the election. Here is the slate of officers that was presented at last month's General meeting:

President: Jill Ice

Secretary: Shieko Uno

Treasurer: Martha Thompson

I'd sincerely like to thank Jill, Shieko for being will to take over these duties for the upcoming year. They are both amazing, talented women who will do a fantastic job leading our association. I have full confidence in both Jill and Shieko.

Thanks also to Martha for continuing to serve as treasurer. She is so organized and devotes hours and hours to making sure our finances are in order. Thank you Martha.

I'd like to personally thank all of you for all the service and hours that you have committed to helping our BAMTA association grow and thrive. It couldn't function without each and every one of you and your contribution, great or small. It's been a wonderful experience being able to serve as President for the last two years and get to know so many of you better. Thank you so much.

See you Wednesday,
Liz Nelson
BAMTA President

Download [BAMTA's 2018 MPF Repertoire List and Music Notes](#)! Please print your own copy to bring to the BAMTA meeting on May 16th. We will be selling the music there as well. Also, please make sure to read the notes carefully as there is a lot of important information in there. And...check the website occasionally to download current notes as the conductors have not had a chance to see this music yet and they will be adding in their additional notes. ~Karen & Rebecca
