

Dear members,

Hope you are enjoying this beautiful sunny weather these past few weeks. It's starting to feel more like spring. This is the season when teachers are busy getting students ready for various events such as festivals, competitions and recitals.

Please join us this month for a teacher roundtable discussion. Amy Watt will be sharing her experiences with an assignment and practicing app for students and teachers, called Tonara. She looks forward to showing all the benefits of this tool. If any other members have something to share or has a specific topic to discuss please let us know before our March meeting.

Our next BAMTA meeting is Wednesday, March 17 on Zoom. The general meeting begins at 9:00am and following will be our teacher roundtable discussion at 10:00am. Since this day is Saint Patrick's Day, feel free to wear something green!
