2015 Multiple Piano Festival - Repertoire Notes

updated Oct. 4, 2015

GROUP A1

DANCE WITH ME—take repeat

SCOTTISH DANCE—secondo: play LH grace note ON the beat (with the 5th), release the grace note right away

GROUP A2

SPRING—take repeat

SANTA CLAUS IS COMING TO TOWN — Please add a spoken “Ho, ho, ho” at the end, beats 2&3 (cha-cha-cha but with ho, ho, ho)

GROUP A3

CARILLON—Add a rit. in m. 26 (before the “broadly” tempo)

- notice that there was a typo on the first repertoire sheet the tempos are for the EIGHTH note beat.
- if the secondo is having difficulties with the LH reaches at m. 19, 20 etc., they can adapt by leaving out the notes that start on counts 3 and 4.
- m.19: Primo play mp

BIRTHDAY BOUQUET— Ask Karen Ziegler for a copy of the piece. After auditions, the students who are playing in the concert will get an “official” copy with the permission letter, and at that time, all other copies must be destroyed as they will not be legal.

- SWING *Theme, Var. 3 and Var. 4*
- Use pedal for the Theme.
- NO pedal in Var.1 or Var. 2.
- Primo can leave out the C in the LH for the first full measure of Var. 2.
- Var. 3, pedal ONLY the last chord. ADD a tremolo in both primo and second, holding only for the 2 beats indicated.

GROUP B1

BELIEVE—cut m. 27- m.55 (*we had a few teachers ask about cutting this, and given this level, we decided that it would be a good idea*)

— note that the **tempo** has been changed from the first published repertoire sheet. It is QN=76

SPRING JAZZ — if the secondo is having difficulties with the LH jumps at m. 21, 22 etc., they can adapt by leaving out the lower note of the octaves.

SICILIANO — note that the **tempo** has been changed from the first published repertoire sheet. It is EN=92

THAT'S ENTERTAINMENT — the tempo has been lowered to HN=100

GROUP B2

SUGAR PLUM FAIRY—download for free at <http://quatre-mains.net> .

- Note the **tempo** has been changed (and a typo on first list) to QN=60 (and your students may audition at EN=120 if they want)
- Music must be bound in black or in a black binder.
- **PRIMO**: starting at m. 32 to m.36 (while secondo is resting), play 64th notes as 32nd notes. Have your students be prepared for rubato to be taken in this section.
- For measure numbers - just number the measures for the way the music is printed (so, don't make any measure number adjustments for the rhythmic change at m.32-36)
- **SECONDO**: m.13 - skip the LH, 3rd space E on beat 1 (just play the low E)
 - m. 23 + If you can't play the triplets up to tempo, play only the first note of each triplet to keep right on the beat. Don't let these slow the tempo.
 - m. 33-36 - the primos are playing the 64th notes as 32nd notes, so these measures will be drawn out. Be sure to match up with the primos at m. 37
 - TYPO: Secondo, m. 11, RH, beat "2and" - make the A an A#

LET IT GO! - cut m.80—m. 114

OUT...STANDING— note that this is a TRIO! <https://www.youtube.com/watch?v=Oe8M5wmq8x8>

GROUP C

DRAGON DANCE —

Tempi: Allegro qn=126 (this has been changed from the first published repertoire list)

Grandioso, m. 34 and m. 97, as marked (qn=92)

Tempo I, m. 38 and m. 102

Articulation: give attention to accents on the off-beats.

Pedal: pedal as marked in the secondo

Revised ending:

Change whole notes in m. 104, beat one, to half notes. Add a D-A fifth in both hands, both parts, on beat three. Make the fifths staccato. Beat four will be a quarter note rest. End of piece. Cross out m. 105.

BEETHOVEN SONATA IN D —

Preferred edition is Alfred, ed. Kowalchuk and Lancaster. The dynamics are more accurate, and it is easier to read.

No pedal

Tempo: dhn=63 (tempo change from previous repertoire list)

Start with dhn=63 at the beginning. At m. 90-122 (page 10-11, Alfred ed.) slow to dhn=60. Resume dhn=63 at m. 123. A slight ritard in mm. 88-89 would lead into the slower tempo at m. 90.

Dynamics: in addition to the dynamics printed in the score, do the following: end phrases (usually 4 measures) with a decrescendo; e.g., mm. 6-7, 11-12, etc. Crescendo as notes (usually 8ths) ascend, and decrescendo as notes descend; e.g. secondo, mm. 8-9, both parts mm. 54-56.

If you are using the 44 Original Duets edition, change the accent from beat three to beat one in mm. 30-32 and mm. 127-129.

TEACHER'S PIECE

GALOP-MARCHE —

This is the **1P/8H** piece! Make sure to create teams of 4 performers.

Our plan is to fill the front three pianos with 4 teachers at each, for an entertaining effect. The other pianos can have 2 performers at each to be more comfortable.

Scores can be purchase at sheetmusicplus.com —

[Galop - Marche Sheet Music By Albert Lavignac \(SKU: LM.26512\) - Sheet Music Plus](#)
