Dear Parents,

Achievement Day is the valuable opportunity in which we recognize and celebrate students' effort, achievement and talent in their music study. This annual event will take place at CU's music building on May 11th, 2013. Students will perform **two required solo pieces (one of them memorized)** and complete **minimum two ~ maximum five music related activities called options**.

Upon completion, the students receive written comments on their solo pieces and options from evaluators, a ribbon and a certificate for participation.

The **Super Achiever Medals** are awarded to those who played solo pieces well, scored 80 or above in minimum one musical knowledge option (theory, terms & signs, history, ear training), passed on minimum one technique option (scales, chords, arpeggios), and passed on any two more options (**total four options**). To be eligible for the Super Achiever status, the students need to register as a SA candidates.
