Behind the scenes glimpse of how opera is produced
Question and answers with the cast and production crew.

Mikado for Kids is designed for children aged 6 and older and their families. This 90-minute shortened version of the comic operetta by Gilbert and Sullivan will present scenes from the show. Narrated, by stage director, Tim Kennedy, kids will see not only the singers acting in costume and full makeup, but also the “behind the scenes” workings of moving sets. Performances will be followed by a short Q&A session. A great introduction to opera!
