

Achievement Day 2015
May 9th, Saturday, 2015
at CU Imig Music Building, Boulder

January, 2015

Dear Parents,

Achievement Day is the valuable opportunity in which we recognize and celebrate students' effort, achievement and talent in their music study. Students can participate either as a solo player or as an ensemble group of 2 to 6 performers. They will perform **two solo pieces** (one of them memorized, along with the scales in the key of each piece) or **two ensemble pieces** for an ensemble group, and complete **minimum two ~ maximum five music related activities called Options**.

Upon completion, the students receive written comments on their solo (or ensemble) pieces and options from evaluators, a ribbon and a certificate for participation.

The **Super Achiever Medal** will be awarded to those who pass on solo (or ensemble) pieces, scoring 80 or above, in a minimum of one musical knowledge option (theory, terms & signs, history, ear training), passing on minimum one technique option (scales, chords, arpeggios), and passing on any two more options (**total four options**). *To be eligible for the Super Achiever status, the students need to register as SA candidates.*

Registration: **Please pay the fee to your child's teacher.** Please know that the teachers need to send the registration form and one check to the chair, and have it received by Sunday, April 12, 2015.
